FRED UPDATES IN MINISTRY AND PRAYERS:

MARCH 2011

**This month of March, we were able to baptized three young people in our River Oaks mission.*

**Through your supports we were able also to finished our mission house which is now our resident, hopefully we can start putting the 6 pillars for the River Oaks future church building. We thank God we bought a piece of land at Berean Mission area and soon the construction of the bamboo chapel will be putting up temporarily and Pastor Thomas George gave 500\$ for this bamboo chapel.*

As the Lord blesses the ministry gradually, there were also other religious group who are trying to cause trouble with our people, they don't want us to build our mission. However we will still striving to encourage our people and to stand up for Jesus.

Prayers:

- 1. needs for the River Oaks Baptist future church building.**
- 2. candidates for baptism at Berean Baptist mission.**
- 3. needs for our summer vbs activities and family camp.**
- 4. Plan to go back in America to raise for the building projects with my wife(2012)-needs for the plain ticket**
- 5. more souls to be saved, members, different ministries**
- 6. supporting churches at America**
- 7. Farinas Family(health, needs, wisdom, spiritual stability)**

Thank you so much from your prayers and faithfulness to supports our ministry. God bless
