Dear Brethren,

July 2011

Greetings in the name of the LORD!!

Our last journey to Bethel produced a great time of grounding in the WORD, plus we saw growth and saw good things, such as Pauline, Logan's sister, come forward with her testimony of salvation!!

We have tickets for Bro. Brian, my son Seth and I to go to Bethel on Aug 19th for the weekend to baptize Logan and his wife Michelle and hopefully Pauline. We are also hoping to go up river to the village of Kalskag to baptize there as well. My son Seth will be videoing and our aim is to put these baptisms on DVD and send them to YOU, smiles!!!!

We had a plan to put some old work buildings together but it fell through, so we are planning on building a building on the property, OUR PROMISE LAND (smiles) next year. We are thinking about organization. Pray for us, we want to do this all in GOD'S TIME, not mine.

We came out the end of April to preach and see my 91 year old dad, help with his house and move Seth and my daughter-in-law Heather to Alaska!!!

I preached two nights at Faith Baptist in Humbolt, TN, where Bro. Wesley Tomlinson pastors. They are gracious, loving people. Bro. Buddy Nicolas and I have been friends since 1977 or thereabouts.

My dad is getting feeble and could no longer live by himself; he did not leave without kicking. He is living with my sister in Cartersville, GA. Many have been praying for him over the past 45 years and for that I thank you. Prayer doesn't save; if it did he would have already been saved. Repeating a prayer won't save; one must realize their lost condition and trust Christ as their Savior. I told my dad, "I loved him and wanted to talk to him about the LORD." His response was, "Do we have to do this?" I said, "Your life is in the balance." His response was, "DO WE HAVE TO DO THIS???" I said, "no." I ask that you pray that God will send somebody by with the Gospel that he will listen to. Life is shorter everyday; many are going to hell every day; hell is forever.

What JOY to have our Seth and Heather here in Fairbanks. They are seeking jobs and have good leads. We are overwhelmed to have them with us. They have already been a tremendous help to ole dad and dear mom and I Praise the LORD for every minute we spend together. I hear those in our mission work here say that they are so glad Seth and Heather are here and what a blessing they already are.

The trip up was very taxing, my truck that I want to get a million miles out of needed desperate attention and just sucked our funds down to the red. We drove back pulling a trailer and the heat was so intense, that I had to drive by the gages. Forget the air conditioner!! Some times I drove 30 mph, sometimes 65, sometimes I had to stop and cool off to keep from boiling over. But we made it, smiles.

I am sorry you dear folks live in the HOT ZONE, we live in PARADISE!!!!!! It gets a little cool here once in a while but we endeavor to persevere!!! Now it will go to 60 below to test me, AAAAAAAAAAHHHHHHHHH!!!!!! smiles.

Pray for Logan and Michelle Tetoff as well as all from Russian Mission and Kalskag. Pray that GOD will rebuke the devil.

LOVE TO ALL. Thanks for the prayers and all the support!!!!!!

For souls in the end days,
Bro. Gary Hampton
