Dear Brothers and Sisters in Christ,

Greetings in the name of our Lord Jesus Christ!! God continues to move in the hearts of His people here in Ninilchik. The Mission work is going well and we are excited about some of the things that God is doing in our midst.

A young man named Travis that was coming to services on and off last year showed up again around Easter. He is not saved nor does he profess to be, but he is interested in the things of God. He is a charter boat captain so we probably won't see much of him this summer but he does come from time to time. Please pray that God would break Travis' heart and that he would see the great need that he has for the Saviour.

Our newly added young couple, Drew and Jennifer, are growing right along. It is Jennifer's desire to have children and be a stay at home mom. Please pray for her as she strives to follow God's will in her life. Also pray that God would help Drew to see the need to work around Church services. He has been doing the best he can, but I know that God wants us in attendance when the doors are open; Hebrews 10:25.

Drew's sister Tiffany will be moving back down to this area next week and she is supposed start attending again. It is my prayer that she would get settled in and join the church. She has moved around quite a bit of late and has had no real church home. Pray that God would move her toward church membership.

Since the weather has warmed and the ground has thawed Darwin has began coming to services again. We have been praying for Darwin since our arrival in Ninilchik and we are not going to quit now. Pray that God would break his heart over his sin.

The prayer cards are finished and we will begin to get them sent out in coming week. We thank you from the bottom of our hearts for your faithfulness in prayer for this work of God. Anita and I could not make it day to day without it!

Beloved, I pray that God would continue to bless your lives and ministries for your faithfulness to Him. We could not continue to minister in this place without faithful saints willing to sacrifice their resources. We praise the God of the harvest for your continual blessing toward us.

Yours in Him
