**MISSIONARY REPORT FROM SAM AND ANNIE VARUGHESE,
INDIA.
FOR THE MONTH OF APRIL 2011.**

"Jesus Never Fails"

Dear Pastor and the Church:

Greetings to all, from the land of India. The Lord enabled me to preach in several places this month including a revival. Three people came forward, accepting the Lord as their personal Saviour. Praise God for that. We also have a Hindi service every Sunday afternoon for the Hindi speaking people. The city where we live now has over 100,000 Hindi speaking population. They are migrant workers from North India in the construction industries. It is very hard to get them to attend church, since most all of them work on Sunday. Still we get about 20 to 25 people to attend every Sunday. The gospel is being presented to them in their own language. Please pray that the Lord may open us many more doors to work among these people who are not being reached by anyone. Most of them are bachelors who live in tents on the construction sites itself. It is very hard to visit them, but the Lord is opening doors to reach them. Praise God.

The work in Bhilwara, Rajasthan is also going on well. We plan to visit the missions and Churches in Rajasthan during May and June. That area is already experiencing extreme heat and shortage of water. We hope and pray that they will have a good rain in July.

We want you, the supporting churches, to know that we pray for you and your ministry there. We take this time to thank you all for your love, prayers and faithful support. May the Lord richly bless you all,

**Yours in Him,
Sam and Annie Varughese.

Dear Pastor and the church:

Greetings in the marvelous name of our Lord and Saviour Jesus Christ. We are doing fine here in Bhilwara and by the grace of God, last month we went to New Delhi, the capital of India. God enabled us to share the word of God to more than 250 people during our visit. The meetings were a great blessing to us. This month also, God enabled us to visit villages and to distribute the New Testaments and Gospel tracts in the Bhilwara District. Please pray for those who received the word of God.

The new academic year has started in the school. Please pray that God may send more students to our school, so that we may be able to share the love of God to them.

**Thank you for your love, prayer and support.
Yours in Him,
Charles and Becky
